## Revised WorkSafeBC Crane Operator Certification Guideline Now in Effect

Trade Release 2018-01-001

2018-01-26

**VANCOUVER** – The revised WorkSafeBC Guideline G14.34.1 Operator certification has been in effect since November 21, 2017. The responsibility for the certification scheme has been clarified to read “Crane operator certification is administered through the British Columbia Association for Crane Safety (BC Crane Safety). As the administrator, BC Crane Safety is responsible for the certification process; including application, assessment, quality assurance, and maintenance of the certification scheme. BC Crane Safety has the authority to issue crane operator certification in B.C.”

The full version of the revised guideline is posted on the WorkSafeBC website and is available through the following link: [G14.34.1 Operator certification](#)
